

Optimum

Optimum

New Optimum

Beautifully crafted

The patented Ultra Low Profile shower tray has been specifically designed to complement all of the latest trends in the modern bathroom.

OPTIMUM is an Ultra Low Profile range of shower trays specifically designed using the latest materials. Developed by MX these trays are surprisingly light, amazingly strong and are the slimmest on the market at only 25mm high.

Available in a wide range of popular shapes and sizes the Optimum shower tray creates the minimalistic Wet Room look, without all those extra costs, transforming any bathroom into a modern and tranquil space.

Minimalistic

Modern minimalistic design lines

- Modern contemporary design
- Stylish, sleek, minimalistic appearance
- The slimmest shower tray on the market at only 25mm high

All MX shower trays carry a 25 year manufacturers guarantee and are made in England

MX is the UK's leading manufacturer of shower trays and has been established for more than 35 years. Situated in Gloucestershire the factory is fully ISO 9001:2008 approved.

Using the latest design and production techniques, incorporating the most advanced materials, MX offers the largest range of shapes and sizes to the very highest quality.
